

Investing in the future (2)

Follow this procedure:

- Choose a stock exchange that specialises in new technology companies and visit its web-site.
- Choose five companies you want to invest in. Enter the symbol codes in the boxes below e.g. MFST is the symbol code for Microsoft Corporation.

--	--	--	--	--

- Use the table below to record information about the performance of the shares of each company.
- Visit the web-site of each company and collect any other financial information you think is important. Record it in the table.
- Using this information, prepare a short presentation which explains why someone should invest in these companies at this time.

Company 1

Current share price	
Information about recent share performance
