

Predicting the future

Go the following web-site:

Select three stories. Use the table below to summarise the current situation of each and your prediction for how these situations will develop in the future.

What's happening now	My prediction for the future
	
	
	

Use some of these phrases to begin your predictions:

I think	I believe	In my opinion
I expect	I hope	I suppose
From my point of view	I predict	I wonder if
