

Technology needs analysis

1. I use the Internet at work:

- regularly
- infrequently
- never
-

2. I use the Internet in English at work for the following:

(e.g. e-mail / research / e-commerce / NetMeeting.)

Details:

3. Other useful information about technology in my company:

(e.g. connection type / company intranet / accessibility.)

4. Aspects of using the Internet in which I would like to improve:

(e.g. understanding web-pages in English.)
